

1 **LOW VOLTAGE DIRECTIVE TEST CERTIFICATE**

2 Electrical equipment designed for use within certain voltage limits – Directive 2006/95/EC

3 Certificate No.: **TRL08SAF11177**

4 Equipment: **EDM Drill and controller, model A85000, rated 230Vac 50Hz, 1A**

5 Manufacturer: **Easylab Technologies Ltd
Science & Technology Centre,
University of Reading,
Earley Gate, Whiteknights Road,
Reading,
Berkshire, RG6 6BZ**

6 TRL Compliance Ltd, a Notified Body in accordance with Article 11 of the Council Directive 2006/95/EC of 12 December 2006, confirms that a sample of this equipment has been found to comply with the Principal Objectives of Safety relating to the design and construction of equipment as given in Annex I to the Directive. The examination and test results are recorded in the confidential report **SU3683/8712**.

7 Compliance with the Principal Objectives of Safety has been assured by compliance with:
EN 61010-1:2001

8 This certificate of conformity is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard. It does not imply an assessment of the whole production and does not permit the use of a mark of conformity.

9 This certificate may only be reproduced in its entirety and without change.

R J Mead, Director, Safety Division
